

**Our classic Learning Vitamins™ drills are back in hard-copy print again - featuring the brand-new Super Slate™!**

The SuperSlate is a brand-new ingenious product that features a transparent overlay for fast, effective learning! You can take it anywhere and use your drill sheets again and again!

**Here's how it works...**

- 1. Insert drill worksheet.*
- 2. Attach overlay.*

Overlay attaches easily, holds tight!
- 3. Do your work on the overlay.*

Use only an ordinary No. 2 pencil or a mechanical pencil with a "HB" lead.
- 4. Flip drill sheet over to show answers.*

Answers line up next to yours for easy scoring!
- 5. Clean overlay.*

Spread a dab of petroleum jelly around, and the pencil marks will wipe right off with a dry cloth or tissue.

**Go to our Order Page and get your pre-printed Learning Vitamins drills today, accompanied by the brand-new Super Slate!**

*Two plastic overlays included!*
